

**Certified Australian Angus Beef®**  
***CERTIFICATION STATEMENT***

Certified Australian Angus Beef is certified as Australian beef derived from cattle sired exclusively by Angus Bulls, and traceable through retained DNA samples from each carcass and certified as to processing standards with the carcass graded by a registered Meat Standards Australia (MSA) grader as complying with MSA Boning Groups 1 to 7, and certified as having a minimum AusMeat Marble Score 1, with each graded cut having been aged for a minimum of 21 days.
