

Shorthorn Beef

Breedplan Fee 2009

The costs associated with Breedplan performance recording are now incorporated in the Shorthorn Beef cow inventories for all active Shorthorn Beef herds. The performance recording component of \$7.00 (+GST) per cow covers the following Breedplan charges previously invoiced separately:

(A)
Shorthorn Beef Members Annual Group Breedplan Membership.

(B)
Processing costs of calf data entry for following:
Weaning (200 day weight) and additional weights
Scrotal circumference
Live scanning carcass measurements (Subcutaneous P8 and Rib Fat Depth, Eye Muscle Area and Intramuscular Fat).

(C)
Shorthorn Group Breedplan Analysis:
One Summer report as hard copy.
Autumn and Spring reports as electronic reports available for downloading.

The only additional costs which will be invoiced by ABRI are for the following optional services:

Estimated Breeding Values copied onto CD ^A	\$16.25
Extra hard copy of report	\$37.85
Extra BREEDPLAN analysis *	\$64.90
Extra copy of BREEDPLAN manual (printed booklet)	\$37.85
Extra copy of BREEDPLAN manual (on CD)	\$4.30

GST of 10% will be added to the above charges as a separate item on a Tax Invoice

^A File of EBVs and accuracy values for importation into PC Software programs such as HerdMASTER, HerdMagic, Stockbook & Cattlelink.

* when an INTERIM analysis is performed where no extra post birth performance has been added to file
